

STORMFRONT STUDENT BULLETIN TERM 2 #2

Hi everyone!

THERE ARE STILL SOME STUDENT FAMILIES WHO HAVE NOT MADE ANY PAYMENT TOWARDS (OR CONTACT REGARDING) TERM 2 FEES!

A Minimum 50% is ALWAYS due BEFORE lessons commence, remainder paid off by end of term. IF THIS IS YOU, AND TO AVOID THE SUSPENSION OF LESSONS, PLEASE ATTEND TO THIS MATTER IMMEDIATELY.

A reminder also, as per your terms & conditions of enrolment, all students are to inform us of any other musical endeavour (school/private/workshops) or performance opportunities you are involved in. For further information on why this is important, just ask!

SAMARITAN COLLEGE ON-CAMPUS STUDENTS!

As per your Terms & Conditions signed for at Enrolment - a reminder that (as private contractors working on-campus) we are generally NOT INFORMED by the school of any excursions, activities or otherwise that may impede on our schedule or your attendance. Any absence, activity or potential inability to attend should be informed directly *to us by the family*.

As our access to each venue is restricted to the days and times scheduled, while we may be able to swap students within that roster, we cannot simply "reschedule" (especially not ON THE DAY/upon arrival at each campus).

We run a very tight and organised roster across 3 campuses, our Private Lessons and our Recording Studio so we **ALWAYS appreciate notice of non-attendance to our SMS 0412 132 845 (Ali) or 0418 700 819 (Mark)**

As previously informed and as part of our annual calendar there are **NO lessons or ROCK BAND scheduled for this coming WEDNESDAY 31st MAY**

All students who have been preparing for **AMEB exams** in P PLATE PIANO, PIANO or VOICE have been emailed separately - we need to send the nomination form early next week so please ensure you respond to us by Sunday (& thank you to those who already have)
