* WE SELL CAPOS & STRINGS & THINGS!!

Students can purchase guitar (& bass & ukulele) accessories directly from us at cheaper than retail shelf prices. We have capos, picks, straps, strap pins and strap locks and strings (electric, acoustic and coloured).

We can also fit strap pins or locks for you, and offer advice and repairs on other items such as guitars, leads, amps etc... AND we can also point you in the right direction when purchasing new instruments and gear! (*Too often we see students arrive with the wrong size or style of guitar or equipment - PLEASE let us help you with unbiased advice*). So if you need a capo, strap and/or fittings or advice **please ask**.

Whyalla's Premier Music Tuition. MUSIC. Sing it. Play it. LOVE it!

* ROCKSCHOOL

[Stormfront Productions](#) is happy to now offer the exciting new "ROCKSCHOOL" syllabus and exam preparation as part of our Music Tutoring Service (in addition to existing AMEB Piano, Singing For Leisure, and Musical Theatre Voice syllabi and exam preparation).

We look forward to assisting any interested students in ROCKSCHOOL – and welcome any questions at any time.

* AMEB SUCCESS

[Stormfront Productions](#) was proud to fully sponsor the Australian Music Examinations Board (AMEB) Exams in Whyalla for the second consecutive year. WELL DONE to our own record number of candidates this year, as well as the other Whyalla and Eyre Peninsula students who attended. Can't wait to do it all again next year!

In addition to our wonderful Whyalla P PLATE candidates we say well done to Isabella who travelled to Port Augusta to sit her exam, and to Mairead & Ciara who both passed their graded exams with an A+ for Musical Theatre and an A (honours) for Preliminary Grade Piano respectively. AWESOME RESULTS!
