

# OUR MISSION

The mission of **Stormfront Productions'**

Music Tutoring Service is to create a learning environment that provides a foundation for life-long interest and growth in music, performing as a means of self-expression, interpreting musical symbols and developing skills.

Our tutors strive to be **inspiring and encouraging**, as well as musical leaders. Further we endeavour to nurture technique to **turn natural ability into true talent**, expand the musical opportunities available to all students, and to **enhance the quality of our community's musical life**.
